Norman period. Even the tesselated niture, and the magnificent appoint of the hotel lies the busy city, in which floor is made of special design, a characteristic of the Norman times. From place of the old style business houses in the lofty ceiling hang chandeliers of quaint design, made of hand-wrought Chinatown, almost entirely rebuilt in The long French windows, which cover Cafe, open on the terrace, a broau, flagged promenade, which overlooks the Bay of San Francisco and the city. Upon special occasions of large entermaking another hall, almost as large as the Norman Cafe itself. On warm days the terrace presents an animated scene, reminding one largely of Paris or the embankment in London. Here parties of convivial spirits gather around the tables where lunch is served in the open

air, overlooking the most beautiful panorama of mountain and sea.

Numerous Dining Places.

as one dines, he may look out over the its entertainment features are so numerous and so varied that, as has happened many times, as many as six different gatherings, including banquets, balls and public meetings, can be held under its roof at the same time, and under such favorable conditions that white and gold, with hangings of blue the same floor are found the special tea and card rooms set as one differs, he may look out over the bay and the shipping. Then there is one of the most beautiful, as well as one of the largest, in existence. It has one of the few spring floors to be found in the country, making dancing peculiarly delightful. It is decorated in white and gold, with hangings of blue who wish to entertain in a less formation. who wish to entertain in a less formal way. Then there are private dining rooms, where organizations may meet around a friendly board. On floor A is found the crypt, one of the most unique cafes in existence. It is in the corner of Mason and Sacramento and in R Ps 3204 and 2469, Kalepa, etc., fire and its accompaniments without a single injury other than the complete destruction of everything inflammable Samuel Parker by atty to Charles H.

After the vector of the stress and trial of both and amazement. From its windows (for ords of the ball-room show that it is occupied an average of three times a single injury other than the complete is an outside room) can be seen the destruction of everything inflammable the Bay of San Francisco, crowded with the Bay of San Francisco and sacramento and sacraments an try dishes. The service here is swift ,

Epitome of Hotel Excellence. The Fairmont, as it stands today, is the epitome of hotel excellence. The vast experience which the Palace Hotel Company had in the celebrated Palace Hotel has been utilized in this house To Colonel John C. Kirkpatrick, General Manager of the Palace Hotel Company, the entire north side of the Norman was given the task of instilling into a brand new house the spirit of hospitality which made the old Palace Hotel celebrated in two hemispheres. How well he has succeeded in doing this is tainment, the terrace is canvassed in, evident the moment one enters the doors of the Fairmont. For the Palace Hotel spirit of hospitality enfolds one like a garment, making his visit one of delight, his leave-taking one of regret, and his memory of the time so spent one of great pleasure. Only hotel in the world in which

every room has a bath. The Fairmont Hotel offers to the traveler all the conveniences and luxu-Another thing for which the Fair- ries known to the best modern hotel, new and greater scale at the old site variety of its different dining places, some of which we have spoken of above. on Market street, was one of the most In them one may find a place to dire Every room in the entire hotel has a silken tapestries. From its windows, the best of accommodations and services.
